

Portable BT Speaker Phone For Conferencing

Features

- A hands-free conference phone with an integrated pickup and play design, supporting Type-C, Bluetooth, and receiver connectivity works seamlessly without the need for drivers
- Built-in 4-microphone array with 360° sound pickup covering a 10-meter range.
- Onboard full-range, high-fidelity speakers deliver clear, loud, and smooth lossless sound.
- Expert-tuned 3A audio algorithm with AEC echo cancellation, ANS noise suppression, and AGC automatic gain control for superior sound quality.
- Equipped with an efficient DSP chip and built-in audio algorithm, featuring 256ms echo cancellation for clear, echo-free sound.
- Built-in 2600mAh lithium battery provides 5-6 hours of continuous use, with USB charging for added convenience.
- Lightweight and portable, compact size easily fits in a backpack or briefcase.
- Compatible with Windows 7/8/10/11, mac OS, Android, Linux, and other operating systems.
- Supports Conferencing software including Zoom, Skype, WebEx, Teams, and more.
- Application scenarios include video conferencing, online education, medical consultations, cloud video for politics, collaborative office work, judicial dispatch, and more.

Technical Specifications

Model No.	T291165-A	
Audio & Microphone	Microphone type	4 AI MIC pickup array
	Directionality	Omnidirectional
	Sensitivity	-27dbFS
	Signal to noise ratio	64.3db(A)
	Pickup distance	10m pickup diameter, 360-degree omni-directional radio
	Speaker	Full-range, high-fidelity speaker x1, 3W, 4Ω
	Distortion	5% Max
	3A algorithm	ANS noise suppression
		AGC automatic gain
		AEC echo cancellation
	Echo cancellation	Onboard efficient and intelligent DPS processing chip
	2Way Communication	Support

Connectivity	Bluetooth	Bluetooth 5.0 uses Bluetooth protocol to transmit audio
	Bluetooth distance	10 M
	Interface	Type-C USB plug-and-play without drive
	Connection methods	Onboard Bluetooth module
Power	Supported	Support USB / Bluetooth
	Battery capacity	2600mAh
	Input voltage	5V (USB power supply)
Compatibility	Supported OS	Windows xp / 7 / 8/ 10 / 11, Android, Mas OS, iOS
	Software	Zoom, Skype, Web Ex, Teams, and more.
Physical Specification	Product Size	172 X 50mm
	Package Dia.	218mm x 210mm X 80mm
	Net Weight	410 gram
	Bluetooth Speaker X 1, Type-C Cable X 1, User Manual
