

# 3MP Wi-Fi Bullet All Time Color Camera

## FEATURES

- 3MP (2304 x 1296) Resolution
- All-Time Color Vision
- Full-Duplex Audio Intercom (Built-in High-Sensitivity Mic & Speaker)
- Support 10x Digital Zoom
- Smart Human Detection, Motion Detection, Tampering Detection
- Mobile Notification on Human & Motion Detection
- Supports Micro SD Card up to 256GB & Cloud Storage(Optional)
- Compatible with NVRs
- QR Code Scanning for Network Connection
- Monitoring: Mobile, Web CMS (TrueCloud Plus)
- IP66 Waterproof Rating, 4000 Lightning Protection.
- Alexa Support

## Technical Specifications

|                            |                                                              |
|----------------------------|--------------------------------------------------------------|
| Product Code               | T18238S                                                      |
| Image Sensor               | 1/3" CMOS Sensor                                             |
| Resolutions                | 3MP (2304 x 1296)                                            |
| Lens                       | M12 4MM Lens                                                 |
| IR LED                     | 9 LED                                                        |
| IR Distance                | 30 Meters                                                    |
| White LED                  | 9 LED                                                        |
| White LED Distance         | 20 Meters                                                    |
| Video Compression Standard | H.264/H.265                                                  |
| Video Streaming            | Main Stream : 2304x1296@15 fps<br>Sub Stream : 800x448@15fps |
| Audio Input/Output         | Two-way audio, built-in microphone and speakers              |
| Audio Compression Standard | AAC / G.711A                                                 |
| Zoom                       | 10x Digital                                                  |
| Light Mode                 | Full Color / Infrared / Smart                                |
| Day & Night                | IR-cut Auto ICR                                              |
| Min Illumination           | Color : 0.01 Lux, Black & White : 0.001 Lux                  |
| DNR                        | 3D Digital Noise Reduction                                   |
| White Balance              | Auto                                                         |
| WDR                        | D-WDR                                                        |
| Mirror/Flip                | On / Off                                                     |
| Electronic Shutter         | Auto                                                         |
| On-Screen Display (OSD)    | Date, Time, & Title                                          |

|                                |                                                                                   |
|--------------------------------|-----------------------------------------------------------------------------------|
| AI Features                    | Human Detection, Motion Detection, Tampering Detection.                           |
| Monitoring                     | Android, iOS, Web CMS (TrueCloud Plus)                                            |
| Storage                        | Support Micro SD Card up to 256GB & Cloud Storage(Optional)                       |
| Wi-Fi Network                  | Wi-Fi ( IEEE802.11 b /g / n )                                                     |
| Wired Network                  | RJ45 × 1(10M/100M Adaptive Ethernet Port)                                         |
| Protocol                       | RTSPS / RTSP / RTMPS / RTMP                                                       |
| Connectors                     | RJ45 LAN connector (100 Mbps) and DC Power Input                                  |
| Slots                          | Micro SD Card                                                                     |
| Button                         | Reset Button                                                                      |
| Light Mode Indication          | LED Blink : Not connected to Network,<br>LED Continuous ON : Connected to Network |
| Power Input                    | DC : 12V/1A (DC 2.1mm Connector)                                                  |
| Power Consumption              | ≤ 6W                                                                              |
| Working Temperature / Humidity | 0-50° C RH Less than 95% (No Condensation)                                        |
| Storage Temperature / Humidity | -20° C to 60° C / 20% to 90% RH                                                   |
| Housing Type                   | Plastic (IP66)                                                                    |
| Dimension                      | 141.4mm X 69.8mm X 159mm (H x W x L)                                              |
| Net Weight                     | 205 Gms                                                                           |
| Gross Weight                   | 413 Gms                                                                           |
