Trueview®

DASH Camera 4G

4MP 4G Dash Camera Built-in GPS

Record. Protect.
Drive with Confidence.

High-resolution video recording, real-time 4G connectivity for remote access, and precise location tracking. The GPS feature logs speed and route data, enhancing security and providing vital evidence during incidents.

- 4 MP Resolution
- 4G SIM Support
- Built-In Mic-Speaker
- Time Lapse Recording
- 128GB Micro SD Card
- Built In GPS
- Easy to Install
- Onago App

4MP Recording

Experience crystal-clear clarity on the road with our dashcam's 4MP recording, ensuring every detail is captured with stunning precision for enhanced visibility and peace of mind.

4G SIM Support

Dash Camera supports 4G SIM cards, enabling real-time video streaming, GPS tracking, and instant alerts via the TrueCloud App. Stay connected and access footage remotely anytime.

Built-in Mic & Speaker

Enjoy added convenience and functionality with the built-in microphone & Speaker, enabling clear audio recording to capture conversations, road noise, and other sounds for a comprehensive record of your journey.

Time Lapse Recording

During playback, the captured frames are played back at a much faster speed than they were recorded. This creates a fast-forwarded video file, allowing you to see a long period condensed into a shorter video.

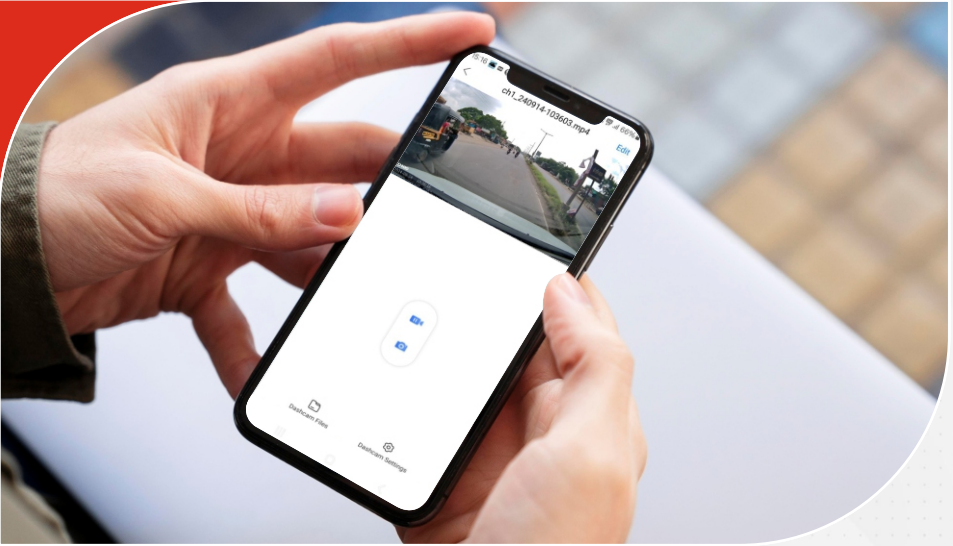

Built-In GPS

Stay informed about every detail of your journey with built-in GPS logging. Track your route, speed, and location with precision, offering valuable insights for navigation and enhancing security.

Real-Time Monitoring

Allows the Camera to pair with your smartphone using 4G network. The dash cams offer live streaming capabilities, allowing you to monitor their vehicle in real-time from anywhere with the app

Built In G-Sensor

Triggered by sudden changes in acceleration, deceleration, or impacts. When the Dash Camera detects a significant impact, it automatically saves the recorded footage in a secure folder, securing it from loop-recording.

Parking Monitoring

Supports intelligent collision detection algorithm, and actively uploads the video of the first 7 seconds and the next 7 seconds of the collision to the background.

Easy to Installation

With a streamlined installation process and user-friendly design, mounting is hassle-free. Intuitive Camera GPS setups ensure quick and secure attachment, promoting accessibility and convenience for users.

Compatible With Onago App

Trueview Dash Cameras is compatible with the most trusted Onago App. This app allows users to remotely access, view, and manage dash cam footage via the cloud. It supports real-time video streaming, file downloads, and sharing, ensuring convenient access to recordings anytime, anywhere.

MODEL- T18235-A

4MP 4G Dash Camera Built-In GPS

4MP Resolution | 4G SIM Support | Built-In Mic & Speaker | 128GB Micro SD Card | Built In GPS | Time Lapse Recording | Easy to Install | Compatible With Onago App

Technical Specifications

Product Code	**T18235-A**
Resolution	4MP
Video Frame Rate	2560x1440 @ 25fps H.265
DDR	256Mbit
Flash Memory	512Mbit
View Angle	H: 106.4°, V: 55.8°, D: 127.8°
Video Compression Standard	H.265 / H.264
Audio In & Out	Built-in Microphone & Speaker
WDR	Support
G-Sensor	Support
GPS	Support
Video Format	TS
Micro SD	Up to 128GB
Sound Recording	ON / OFF
Wi-Fi Direct Connection	Wi-Fi direct connection to mobile phone, adjust settings, view album and live feed through Mobile APP
4G LTE	CAT4 module; FDD-LTE: B1 / B3 / B8 WCMDA: B1
Connection Mode	4G Network & Wi-Fi 802.11b / g / n
Loop recording	Setting time period, such as 1min, 2min, 3min, etc.
Emergency Video	Automatic emergency recording, key videos will not be overwritten
Power Input	DC 12V / 0.5A
Accessrise	1x Power Cable 3Meter, 1x Dash Cam,1x User Manual, 1x Camera Mount Kit.
Monitoring	Android, iOS, Windows (Onago)
Button	Reset Button
Operating Temperature	- 20°C ~ 65°C
Storage Temperature	-30°C ~ 85°C
Dimension	68mm x 70mm x 35.28mm (W x H x L)
Net Weight	106Gms
Gross Weight	225Gms
